

SENIOR PRIVILEGE - BOARD POLICY

Senior students with **90 or more earned credits** may be permitted to leave the school premises when they have **no scheduled classes or other school activities**, provided that their parents or legal guardians (regardless of senior's age) have signed and submitted to the High School the consent waiver and indemnification form prepared by the Board of Education. Seniors so authorized **must sign out before leaving** and **sign in upon returning** at the attendance window. The privilege may be withheld or withdrawn for cause notwithstanding the consent of the parent and/or legal guardian. **This privilege may be withheld or revoked at the discretion of the administration.**

- 1.** To be eligible for senior sign-out, a student must be a senior in good standing. Only senior students who have earned a minimum of 90 credits at the beginning of this school year will be entitled to this privilege.
- 2.** All seniors who participate in the sign out privilege must first have on file in the Assistant Principal's Office a valid consent waiver form.
- 3.** Before leaving the campus, students will be required to sign the logbook at the attendance window, indicating the time of leaving, their destination, and their expected time of return. Upon returning to campus, students will be required to sign in.
- 4.** Students who do not conduct themselves in an appropriate manner during school hours or at school sponsored activities may be subject to a loss of this privilege at the discretion of the Principal.
