August 2017

Dear Parents/Guardians of Incoming Juniors (11) and Class of 2018 students new to PHS,

In December of 2001 the Federal Government enacted The National Defense Education Act, FY 2002 (Public Law 107-107, 115 Stat 1012). Section 544, Military Access to Secondary School Students states, that schools shall, upon a request made by military recruiters for military recruiting purposes, provide access to secondary school student names, addresses and telephone listings. However, students or their parents have the right to instruct the school in writing that this information is not to be released.

The district's responsibilities are to inform parents/guardians of the legislation. Please sign, detach and return the statement below to **Margaret Conway** in the Guidance Department. **To be certain your wishes are respected; return this form to Princeton High School Guidance by October 1, 2017.** After this deadline names can be released to the military.

If you have any questions, please do not hesitate to contact the guidance office at (609) 806-4282.

Sincerely

Kristina Donovan
