

# Parent College Recommendation Brag Sheet

Please use the following suggestions to help you type a recommendation for your child (minimum 1 page, maximum 4 pages). No one knows your child better than you and your input is most helpful while writing your child's recommendation. Once you have completed your writing, email the finished product to your child's counselor (emails available at <http://phs.princetonk12.org/guidance/> ) BEFORE the end of their JUNIOR school year!

Here are some suggestions:

- ✓ Please tell us what you consider to be your child's strongest asset (as a person)
- ✓ Describe how you have seen your child grow (in all ways) since entering high school his/her freshman year
- ✓ Please describe your child's outstanding personality traits
- ✓ What seems to bring your child the most joy?
- ✓ Outside of academics, tell us what you see as your child's passion and give any other information that captures the spirit of your child
