

Getting Started With Your Chromebook

Connecting to Wifi

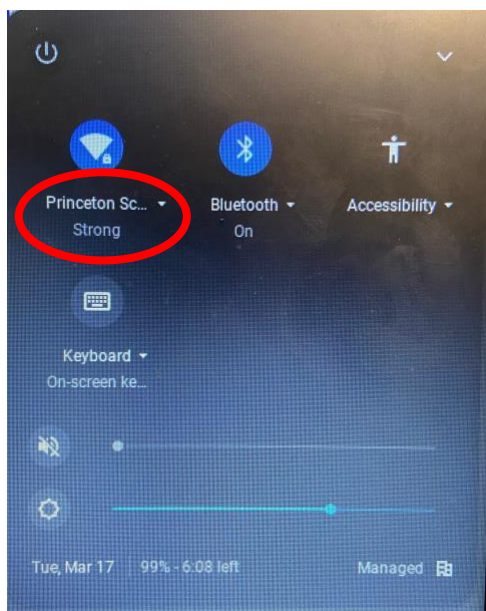

1. Click the power key on the keyboard to start the device.

2. Once turned on, click on the fan icon in the bottom right-hand corner.

3. On the next screen, click on the text under the fan icon on the left.

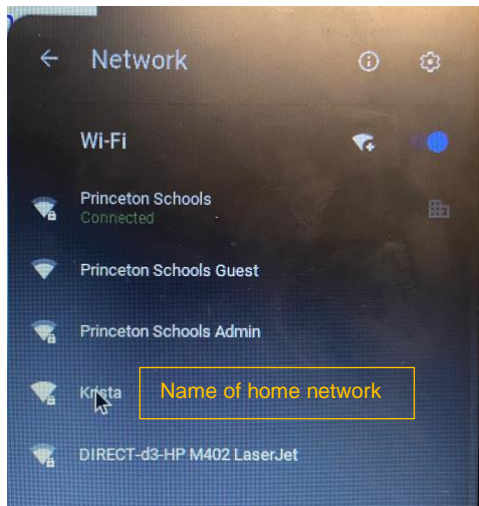

PLEASE NOTE

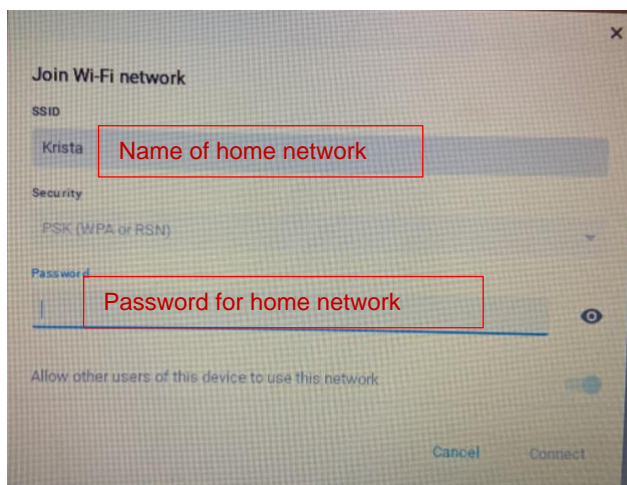

If you click on the fan icon, you will turn off wifi access.

Click the icon again to turn wifi back on.

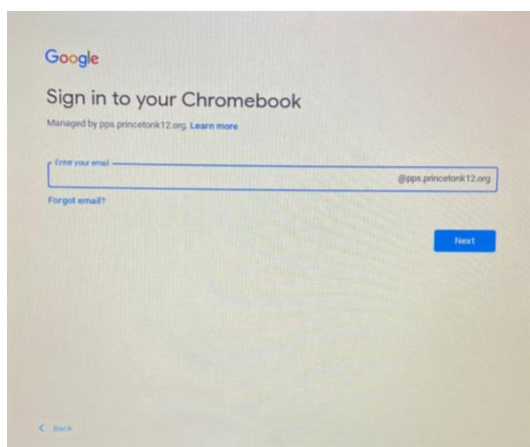

4. Locate your home network and click on it.

5. Enter the password for your home network.

6. Login with your regular device login.

PLEASE NOTE

These devices can only be logged in by PPS staff and students.

Logging In

Username: First Initial Last Name
Ex. John Smith = jsmith

Password: A student's password is his or her lunch-account PIN (personal identification number). Enter it twice, without a space between any of the numbers. (Students may call the school if they have forgotten their PIN.)

PLEASE NOTE

If there is already a student with the same username, a number may be at the end.

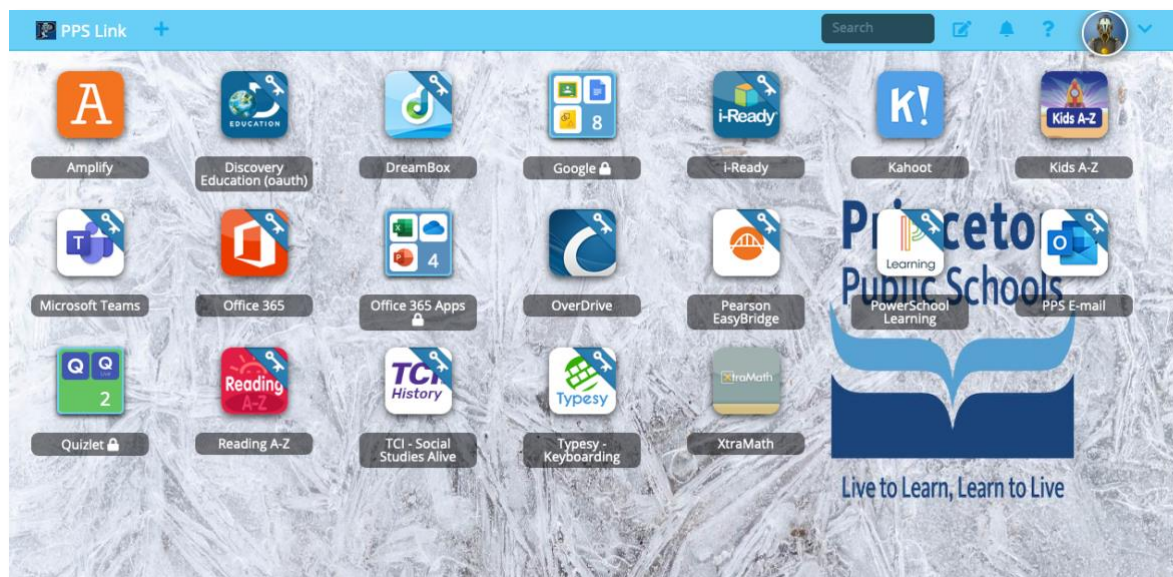

PPS Link

PPS Link automatically links students into all of their district accounts.

Click on the Chrome icon at the bottom of the screen.

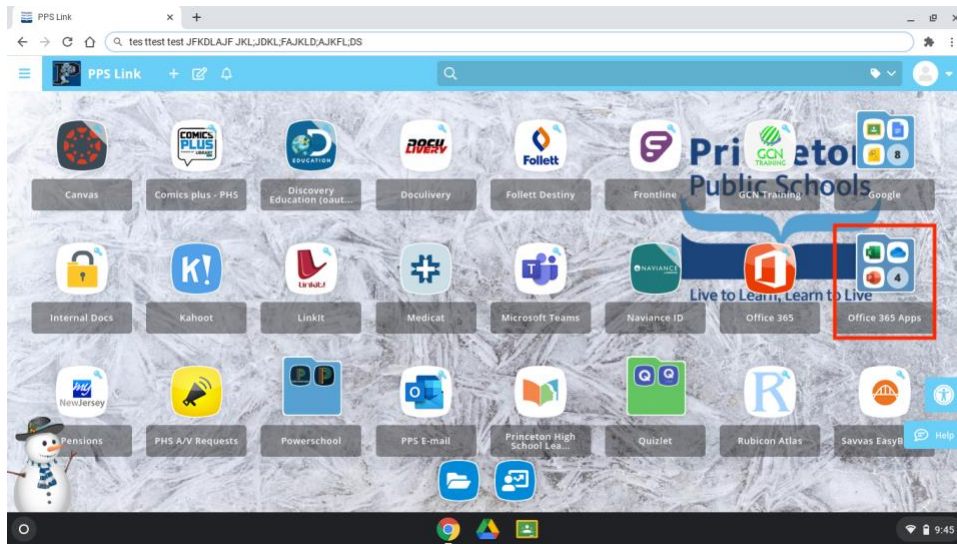

Chrome will open and bring you to PPS Link. Login to PPS Link the same way you login to your device.

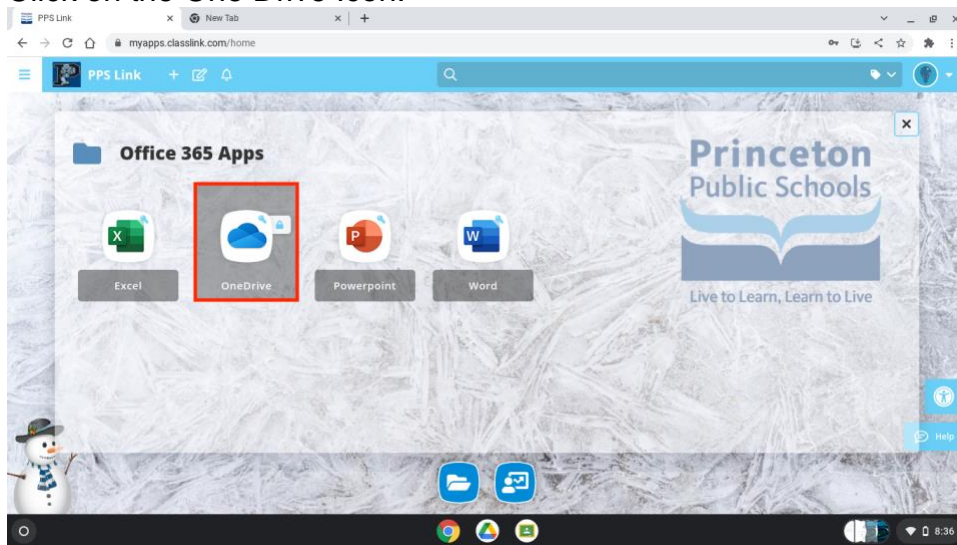

Once you login, click on the icon for the program to open it.

One Drive

Login to PPS Link. Click on the Office 365 Apps Icon.

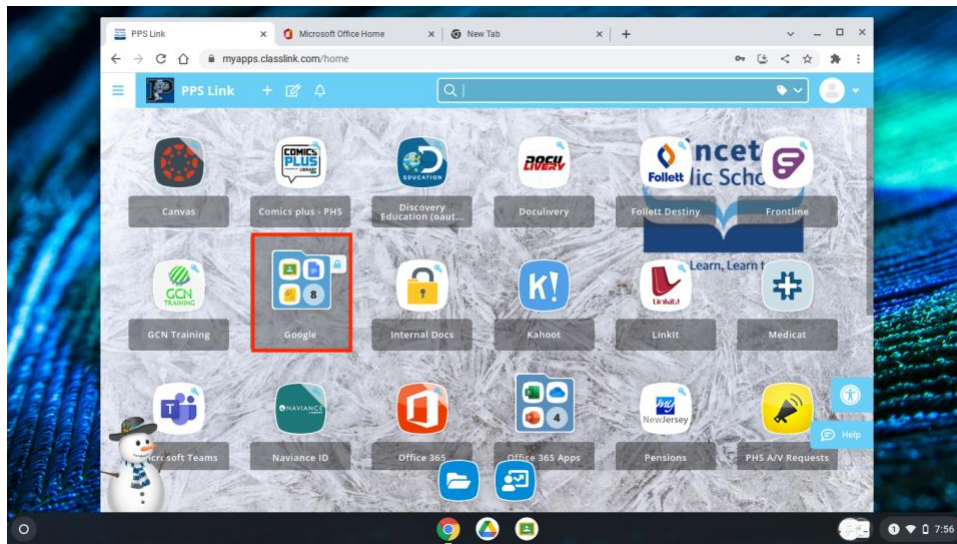

Click on the One Drive Icon.

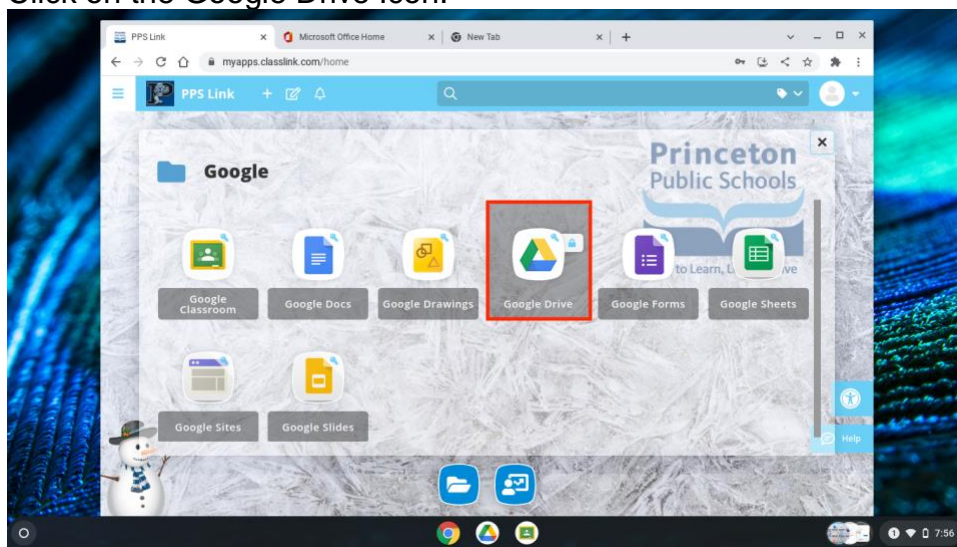

Enter in your login information.

Method 2 – Login Using a Zoom Link

1. Click on the meeting link. The following window will appear. Click on the “Sign In to Join” button.

2. Click on “Sign in with SSO” on the right-hand side to continue.

The image shows the Zoom 'Sign In' screen. On the left, there are fields for 'Email' and 'Password', a 'Keep me logged in' checkbox, and a 'Sign In' button. On the right, there are options to 'Sign in with Google', 'Sign in with SSO' (highlighted with a red box), and 'Sign in with Facebook'. The 'Or' separator is between the two columns.

3. Make sure “princetonk12” appears in the domain field. If the first field is blank, please type “princetonk12”. Then click on the “Continue” button.

The image shows the 'Login with SSO' screen in Zoom. The domain field is highlighted with a red box and contains the text 'princetonk12'. The full field is 'princetonk12.zoom.us'. Below the field is a link that says 'I don't know the company domain'. At the bottom, there is a blue 'Continue' button and a 'Back' link.

4. Enter your Princeton Public Schools email address, then click on the “Next” button. Then enter your password.

The image shows the 'Princeton Public Schools Sign in' screen. The email address field contains 'XXX @princetonk12.org'. Below the field are links for 'Can't access your account?' and 'Sign-in options'. A blue 'Next' button is at the bottom right. At the very bottom, there is support contact information: 'For support please contact x2900 or Support@princetonk12.org'.

5. You will then be allowed to join the meeting or waiting room.
